

# TripIt Pro and Personal Travel – travelND Travel

TripIt Pro can manage personal and business travel itineraries; however, some personal travel itineraries may flow into Concur from TripIt. If you do not want to have your personal/leisure trips created in TripIt display in your Concur, select the Leisure button in the 'Purpose' area of the trip creation or edit page (see below).

**Create a trip**  
You can add a description, plans, and share your trip later. Name or location is required.
