Coming Soon...

The Concur/travelIND home page is getting a facelift

Concur (the travelIND software vendor) is rolling out a new design for the Home page.

How does this home page redesign impact you?

The Concur/travelIND home page redesign will not change any of travelIND's features. It is a change in the look and feel of the home page; functionality will not change.

- ** *A refreshed, modern design*
- ** *Simplified navigation*
- ** *Streamlined user workflows to facilitate faster completion of tasks*

Is this a mandatory change?

Yes, this is a mandatory change promoted by **Concur**, the software supplier.

Phased Rollout

Monday, August 26, 2024 the 1st phase of the release is targeted to begin. During this phase, you will have the opportunity to switch between the current home page design and the new home page design. A toggle button will be available via a banner on the home page.

Stay Tuned

More information will be shared in September regarding phase 2.
